

Feedback and Complaints Procedure

Plan Management Partners welcomes all feedback, including complaints.

We encourage people to speak up as it helps us to develop a better service to meet our customers' needs and deliver positive outcomes.

How to provide feedback or make a complaint?

You can provide your feedback or make a complaint by calling us on 1300 333 700 or send us an email at info@planpartners.com.au.

What happens when you have made a complaint with us?

We aim to resolve the complaint as quickly as possible.

Our complaints procedure requires that we:

- take immediate action where there appears to be a high risk of harm, neglect or abuse
- aim to acknowledge complaints within the next business day from receipt
- call you within two business days of acknowledgement
- aim to resolve the complaint within 21 business days of receipt

We will contact the person or organisation you have complained about, provide them with details of the complaint and ask for their comments and relevant information.

We will then advise you what the response to your complaint has been and what resolution has been suggested.

If you are dissatisfied with the resolution of the complaint, you can ask for a supervisor or manager of Plan Management Partners to review the complaint and how it was handled.

If the resolution is still not satisfactory, you may seek assistance from the Commonwealth Ombudsman:

- Phone number: 1300 362 072
- Web: <http://www.ombudsman.gov.au/making-a-complaint>

Plan Management Partners will:

- resolve your complaint in a private, confidential, fair equitable and timely manner and all views will be respected
- help you find a support person or advocate to assist or represent you if you want one
- support you with your right to take the complaint to external agencies if you wish to do so
- ensure that there are no negative consequences or disadvantages to you because you have made a complaint.
